ATM /DEBIT CARD DISCLOSURE AND AGREEMENT

This Disclosure and Agreement is amended from time to time ("Agreement") and sets forth the terms and conditions governing the use of the SAMM Card ("Card") and/or VISA Debit Card ("Visa Check Card" or "Card") issued to you at your request by Safe 1 Credit Union ("Credit Union" or "us" or "we"). This Agreement takes the place of all prior agreements and disclosures governing the use of your Card. By retaining, using, or allowing others to use your Card, you agree to be bound by the terms and conditions of this Agreement.

Personal Identification Number

We will issue you a Personal Identification Number ("PIN"). This number should be memorized. DO NOT write it on your Card. After memorizing it, you should destroy it. Your accounts can only be accessed by the use of the Card with the PIN. If you forget your PIN, contact the Credit Union and we will issue you a new one.

Your Liability

Automated Teller Machine ("ATM") Transactions: Tell us AT ONCE if you believe your Card and/or PIN has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days, you can lose no more than \$50.00 if someone used your Card or PIN without your permission. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your Card or PIN, and we can prove that we could have stopped someone from using your Card or PIN without your permission if you had told us, you could lose as much as \$500.00. If you have authorized someone else to use the Card and/or PIN, you are responsible for all transactions which that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized. Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

Visa Transactions: Your liability for unauthorized use of your Visa Debit card with the Visa logo, when it is used as a Visa card, will be zero if the conditions set forth below are met:

- You can demonstrate that you have exercised reasonable care in safeguarding your card from loss or theft, and
- You have not reported two or more incidents of unauthorized use within the preceding 12 months, and
- Your account is in good standing

"Unauthorized use" means the use of your Card by a person other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. Remember to report your card lost or stolen or any unauthorized transactions immediately. This will prevent unauthorized access to your account and minimize any inconvenience.

Our Liability

If we do not complete a transaction to or from your savings or checking account on time or in the correct amount according to our agreement with you, we will be liable FOR YOUR LOSSES OR DAMAGES, however, there are some exceptions. We will not be liable, for instance, if:

- a) Through no fault of ours, you do not have enough money in your account to make the transaction; or
- b) The transaction would go over the credit limit on your credit line; or
- c) The ATM where you were making the transaction did not have enough cash; or
- d) The ATM or network system was not working properly and you were aware of the malfunction when you started the transaction; or
- e) Circumstances beyond our control (such as fire, flood, power failure, or computer down-time) prevented the transaction, despite reasonable precautions we have taken; or
- f) The money in your account is subject to an uncollected funds hold, legal process or any other encumbrance or agreement restricting a transaction; or
- g) Your Card has expired, is damaged, is inactive, or because your PIN has been entered incorrectly; or
- h) Your Card or PIN has been reported lost or stolen and we have blocked the account; or
- i) The failure to complete the transaction is done to protect the integrity of the system or to protect the security of your account.

There may be other exceptions not specifically mentioned above.

In Case of Errors or Questions About Your Transactions

Telephone us at (661) 327-3818, or write to us at P. O. Box 2203, Bakersfield, CA 93303 as soon as you can if you think your statement or receipt is wrong, or if you need information about a transaction listed on the statement or receipt. We must hear from you no later than 60 days after we send the FIRST statement on which the problem or error appears.

- a) Tell us your name and account number.
- b) Describe the error or the transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- c) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will tell you the results of our investigation within 10 business days* after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days** to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days* for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or questions in writing and we do not receive it within 10 business days, we may not credit your account.

If we decide that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents we used in our investigation.

*If you give notice of an error within 30 days after you make the first deposit to your account, we will have 20 business days instead of 10 business days.

**If you give notice of an error within 30 days after you make the first deposit to your account, notice of an error involving a point of sale transaction, or notice of an error involving a transaction initiated outside the U.S. its possessions and territories, we will have 90 days instead of 45 days to investigate.

All transactions are subject to the terms and conditions of your account agreements with us governing the affected accounts.

Transactions Available

You may use your Card to perform the following transactions:

- Make deposits to your savings or checking account,
- Withdraw cash from your savings or checking account,
- Transfer funds between your savings or checking account,
- Make point-of-sale payments for goods and services to others from your checking account,

Your card may only be used for legal transactions. By using the Card, you agree that all transactions you initiate are legal in the jurisdiction where you live and/or where the transaction occurs. Online and/or internet gambling may be illegal in the jurisdiction where you live, including within the United States. You agree to repay according to the terms of this Agreement all transactions you initiate by use of your Card.

Receipts and Statements

You can get a receipt at the time you make any transfer to or from your account using one of our ATMs or POS terminals. Retain the receipt to compare with your monthly statement from the Credit Union.

In order to obtain the electronic services listed, you must open and maintain a savings and/or checking account. All charges assessed by us associated with our electronic fund transactions are disclosed in our Rate and Fee Schedule, which is available at any Credit Union office. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or network, including a fee for a balance inquiry even if you do not complete a fund transfer.

- b) In order to verify the existence and condition of your account for a third party such as a credit bureau or merchant; or

Severability

If any part of this Agreement should be held to be unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.

Business Days

Our business days are Monday through Friday, excluding holidays.

ATM Safety

ATMs provide a quick and convenient way to access your money. However, you should use caution and remember the following safety tips:

- Consider having another person accompany you to the ATM.
- Be aware of the surroundings, look for well-lighted ATMs when transacting at night.
- If you notice anything suspicious when approaching the ATM, return later or use another ATM. If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your Card away and leave.
- Have your transaction ready before you go to the ATM. When you can, fill out any deposit slips/envelopes before leaving your vehicle.
- Have your ATM Card ready, avoid going through your purse or wallet at the ATM site. Put your cash away immediately, count the cash later.
- Keep your PIN secret. Do not write it on your Card or anywhere else in your purse or wallet. Stand close to the ATM and shield the keypad so others can't see you enter your PIN or perform your transaction.
- Never give information about your ATM account to strangers or over the telephone. Communicate this information only to Safe 1 staff and only in person.
