

## SAFE 1 CREDIT UNION ONLINE BANKING REGISTRATION

For security purposes, we require a signed application before we allow online access to your account. Upon receipt and validation of your application, we will establish your password as the last four digits of the primary member's Social Security number on file with us. During your initial login, you will be required to select your own password. Once you have selected your password, do not disclose it to anyone (see agreement below). Please allow five business days for processing of your application. To apply for Safe 1 Online Banking, complete the application below and bring into any Safe 1 office or mail to:

I request access to my Safe 1 Credit Union (Safe 1) account information via the Internet and agree to the following:

I must have my own password and agree not to disclose or otherwise make my password available to anyone not authorized to access my account. I shall notify Safe 1 immediately if any unauthorized person obtains access to my password. I shall be responsible for all applicable transactions and understand all requests are subject to the terms and conditions that govern my Safe 1 accounts. I acknowledge that I received a copy of these documents at account opening and may obtain a current copy of all applicable disclosures at Safe1.org. Safe 1 may terminate or restrict my access without notice.

**IMPORTANT NOTE:** A separate authorization is required to enroll in e-Documents. You may enroll in e-Documents online at Safe1.org.
